To Mr. Johnson, one of our most faithful friends, who never failed to assist us in our activities and who was always working for our benefit.

Class Will

We, the Senior Class of 1954, being of sound mind and body and with no malice of forethought, do hereby make this our last will and testament.

DICK KLUGE wills his "car" to the Drivers Training Class in hope that Rod Love and his students will be able to determine what makes it tick.

MARIAN KUGLER wills her cheerleading days to Karen Schmitz. More power to you, Karen.

GAYLE GRUBB leaves Wayne High with quite a record!!!!

DONNA CARLSON wills her favorite piece of apparel, namely, her blue felt cheerleading skirt, to the bird society so that they can make canary coats.

GORDON ZAPP leaves his locker at the end of the hall to any guy without a gal for certain reasons.

JOAN PAWELSKI leaves with the satisfaction of knowing that she has done everything in her power to convert Mr. Rickers to her ideas instead of those in the North Central Manual.

GLORIA AHLVERS leaves, (oops) rather takes with her, her interest in redheads.

ROD TIETSPORT wills his boxing ability to Madison Square Garden.

SONDRA HAAS wills her football tactics at the pencil sharpener (especially backfield in motion) to Coach Mac's Blue Devil eleven of 1954.

LOWELL JOHNSON wills his pranks and apparent innocence to Jim Marsh.

BARBARA BUEHNER wills her meek, mild voice at basketball games to a fellow timid fan, Bob Likes.

JOANIE LEONARD wills her artistic ability to all future decoration committees.

PAUL KOPLIN wills his English 12 seat to some unsuspecting junior.

BETTY LOU McCULLOUGH leaves her arguments with Coach Mac -- thank heaven. (They were just friendly ones, though.)

LARRY JOHNSON wills his "story hour" to Bob Sieckman.

NANCY GRIMM leaves to keep an eye on "Prices" (government or private interests, Nancy?)

JERRY KORFF leaves all his cups of coffee at the "hut" to Dick Longe in hopes that said Dick will be able to stay awake in physics class with their help.

MARILYN HENEGAR wills her position as librarian to Kenny Kluge.

HENRY THOMSEN leaves everything to the school but his car.

PAUL JOHNSON wills his knowledge of Chemistry to the Atomic Energy Commission.

BARBARA LARSEN wills her interest in Studebakers to the Ford Company.

EUGENE BAIER leaves his nickname, "Squirrely"! At least, he hopes that he does!

DORIS WENTZEL wills her ability as office girl to Mr. Ricker's future proteges.

GERALD BAKER wills his appendix to the science lab.

BERLENE ECHTENKAMP leaves with a diamond.

ARLEN HARRIS wills his great height (?) to Larry Hofeldt.
 ELAINE FORK wills her driving to Linda Beck, a fellow speeder.
 PATTY MORRIS wills her car to the Temme twins because they have so far to go to school.
 LARRY MUHS wills his shortness to Janet Ingalls.
 JERE MILLIKEN wills his dimples to the "girls."
 MARY ANN NELSON wills all her typing paper to the wastebasket.
 JUNIOR PETERSON wills his art of fine dancing to the Freshmen.
 VIRGINIA PROETT wills her label as P.K. (preacher's kid) to Phyllis Cook.
 NEIL REUTER leaves. PERIOD
 MARCIA WITMER wills her mischievousness to the Sophomore Class, because she has enough for all of them.
 GILBERT SCHMIDT leaves in his little blue ford.
 WILMA TEMME wills her French horn to the music room.
 MAUREEN JORDAN wills her shy ways to Neil Palmer.
 MARGARET CLAUS (no relation to Santa) wills her position as Senior Class Prexy to some deserving junior.
 JOSEPHINE BRADER leaves Wayne High without any hesitation.
 HAROLD FLEER leaves his "butch" haircuts to Melvin Lamb.
 SHARON LINDSAY wills the "Case of the Missing Graduation Pictures" to Dick Tracy.
 KAREN JUNE LONGE leaves Wayne High to her sister, Rogene Longe.
 LYNAL LONGE leaves to go to work at Curly's by five o'clock.
 CHARLES MESSERSCHMIDT wills his musical ability to the junior bands.
 SALLY LIVERINGHOUSE wills her overenthusiasm for school to all the freshmen, who are just getting nicely started.
 MURLEN ULRICH wills his "secret" of slimness to the Sophomore girls.
 BOB MORRIS wills his admit slips to the paper factory.
 BEVERLEY WELCH leaves behind her four years of hard work.
 PAUL KOPLIN, GORDON ZAPP, ROD TIETSORT, JERRY KORFF, and LOWELL JOHNSON will their position on the Blue Devil basketball team to all future Wayne High basketball members.
 We, the Senior Class of "54", leave to all underclassmen, our heartaches and triumphs, our thrills and our disappointments, knowing that there is no place like "Wayne High."

Class Prophecy

Here we are in the year 1974! We've just returned from a twenty-year vacation on Mars, that sunny vacation land over the sky, and are waiting for a space-pass at the "Flying Cup" here in New York City. While we're waiting, let's catch up on the latest news by reading this newspaper, the "World-Wide Times," edited by none other than Joan Leonard. If I remember correctly, she was the editor of our '54 annual in high school. Look at some of the front page news! Admiral Gilbert Schmidt has recently been appointed head of the United States Navy and will be in New York tomorrow to launch one hundred new space ships.

This "On The Spot" column written by the world-famous columnist Gloria Ahlvers looks interesting. Gloria has also taken Ed Sullivan's place on "Ghost of the Town" which has been rated the top TV show for 25 years now. There are certainly some interesting items in this column. That noted orator, Barbara Larsen, is speaking tonight at Liberty Hall. She will tell of her visit with President Johnson at the Black House. I never dreamed Larry Johnson would one day be President, but that boy always did have great possibilities. The two Nobel Prizes have been awarded to two very outstanding and deserving people this year! One goes to Sondra Haas, a missionary in Africa, who has done a miraculous job of Christianizing over a million cannibals and setting up one hundred churches there. The other award goes to Dr. Doris Wentzel for curing the world

of polio and writing that best-seller book, GERMS, AT HOME AND ABROAD. There are a few other important facts in this column. Donna Carlson, noted New York socialite, gave a ball at one of her homes in honor of Gene Baier. Gene now owns every oil well in Texas. Among the guests were Harold Fleer, owner of the world's largest bubble gum factory; Margaret Claus, secretary to a Harvard professor, Paul Johnson; Elaine Fork, head of the national 4-H clubs; and Marian Kugler, world-famous model.

I guess that's all the news in that column. What's this? "Local Man Breaks Record--Sits on Top of Capitol for Three Years." Why, that picture of him looks exactly like Bob Morris--it is, Let's look at some more pictures on this page. Here's a picture of the new ten-story bakery, "Frosting Palace," owned by our good friends, Barbara Buehner and Lowell "Swede" Johnson. They're celebrating their twentieth anniversary in the bakery business. "The Most Eligible Bachelor of the Year" award goes to Arlen Harris this year. From the looks of the picture, he certainly is. Next to it is one of Nancy Grimm who has been chosen "Miss Universe" of 1974.

Oh, what's on this page? It is the sports news! There should be some old classmates of ours with jobs as coaches now. They won the district tournament in '54. The editor of "Sports on Parade" is none other than Gordon "Red" Zapp who participated actively in all high school sports. Gerald Baker has been the "World's Champion Boxer" for ten years now. His manager is Neal Reuter. Paul Koplin, noted track star has been named "Track Star Champ" for running on every railroad track in the U. S. The famous all-American basketball player, Jerry Korff, is now coach at the University here. Marilyn Henegar has just swam the Atlantic Ocean in fifty days, breaking the world's record. Rod Tietzort, manager and top pitcher for the New York Yankees announces the beginning of the World Series once again.

That's all for the sports section. Let's find out what's on television tonight by looking at the "Entertainment Page," edited by Karen June Longe. Karen has taken Tallulah Bankhead's place. At five the "Kitchen Klatter Show", starring Betty McCullough, famed home economist, is on. This show is a favorite of young and old. At six "Advice to Young Married Couples" is on with the famed author Berlene Echtenkamp giving her personal views on marriage. "Fishnet" is on tonight starring Junior Peterson, former "Dragnet Kid," and Gayle Grubb, who is a finger man for the F.B.I. and also draws the comic strip "Frownin' Mac." Other shows that are super are "I Love Josie" starring Josephine Brader and Dick Kluge. They are well on their way to stardom. Acts from the "Morris and Jordan Circus" will be shown on Channel 3 tonight. Some of the acts which are featured are the tight rope walker, Beverly Welch; Larry Muhs's Death Dodgers; Jere Milliken's Jeep Races; Lynal Longe and her trained seal; Murlen Ulrich's "Magic Show"; and Mary Ann Nelson's "Talking Turtles." Patty and Maureen's Circus is the greatest sensation since Barnum and Bailey. I'm tired of looking for TV shows. Let's see what other entertainment they have in New York.

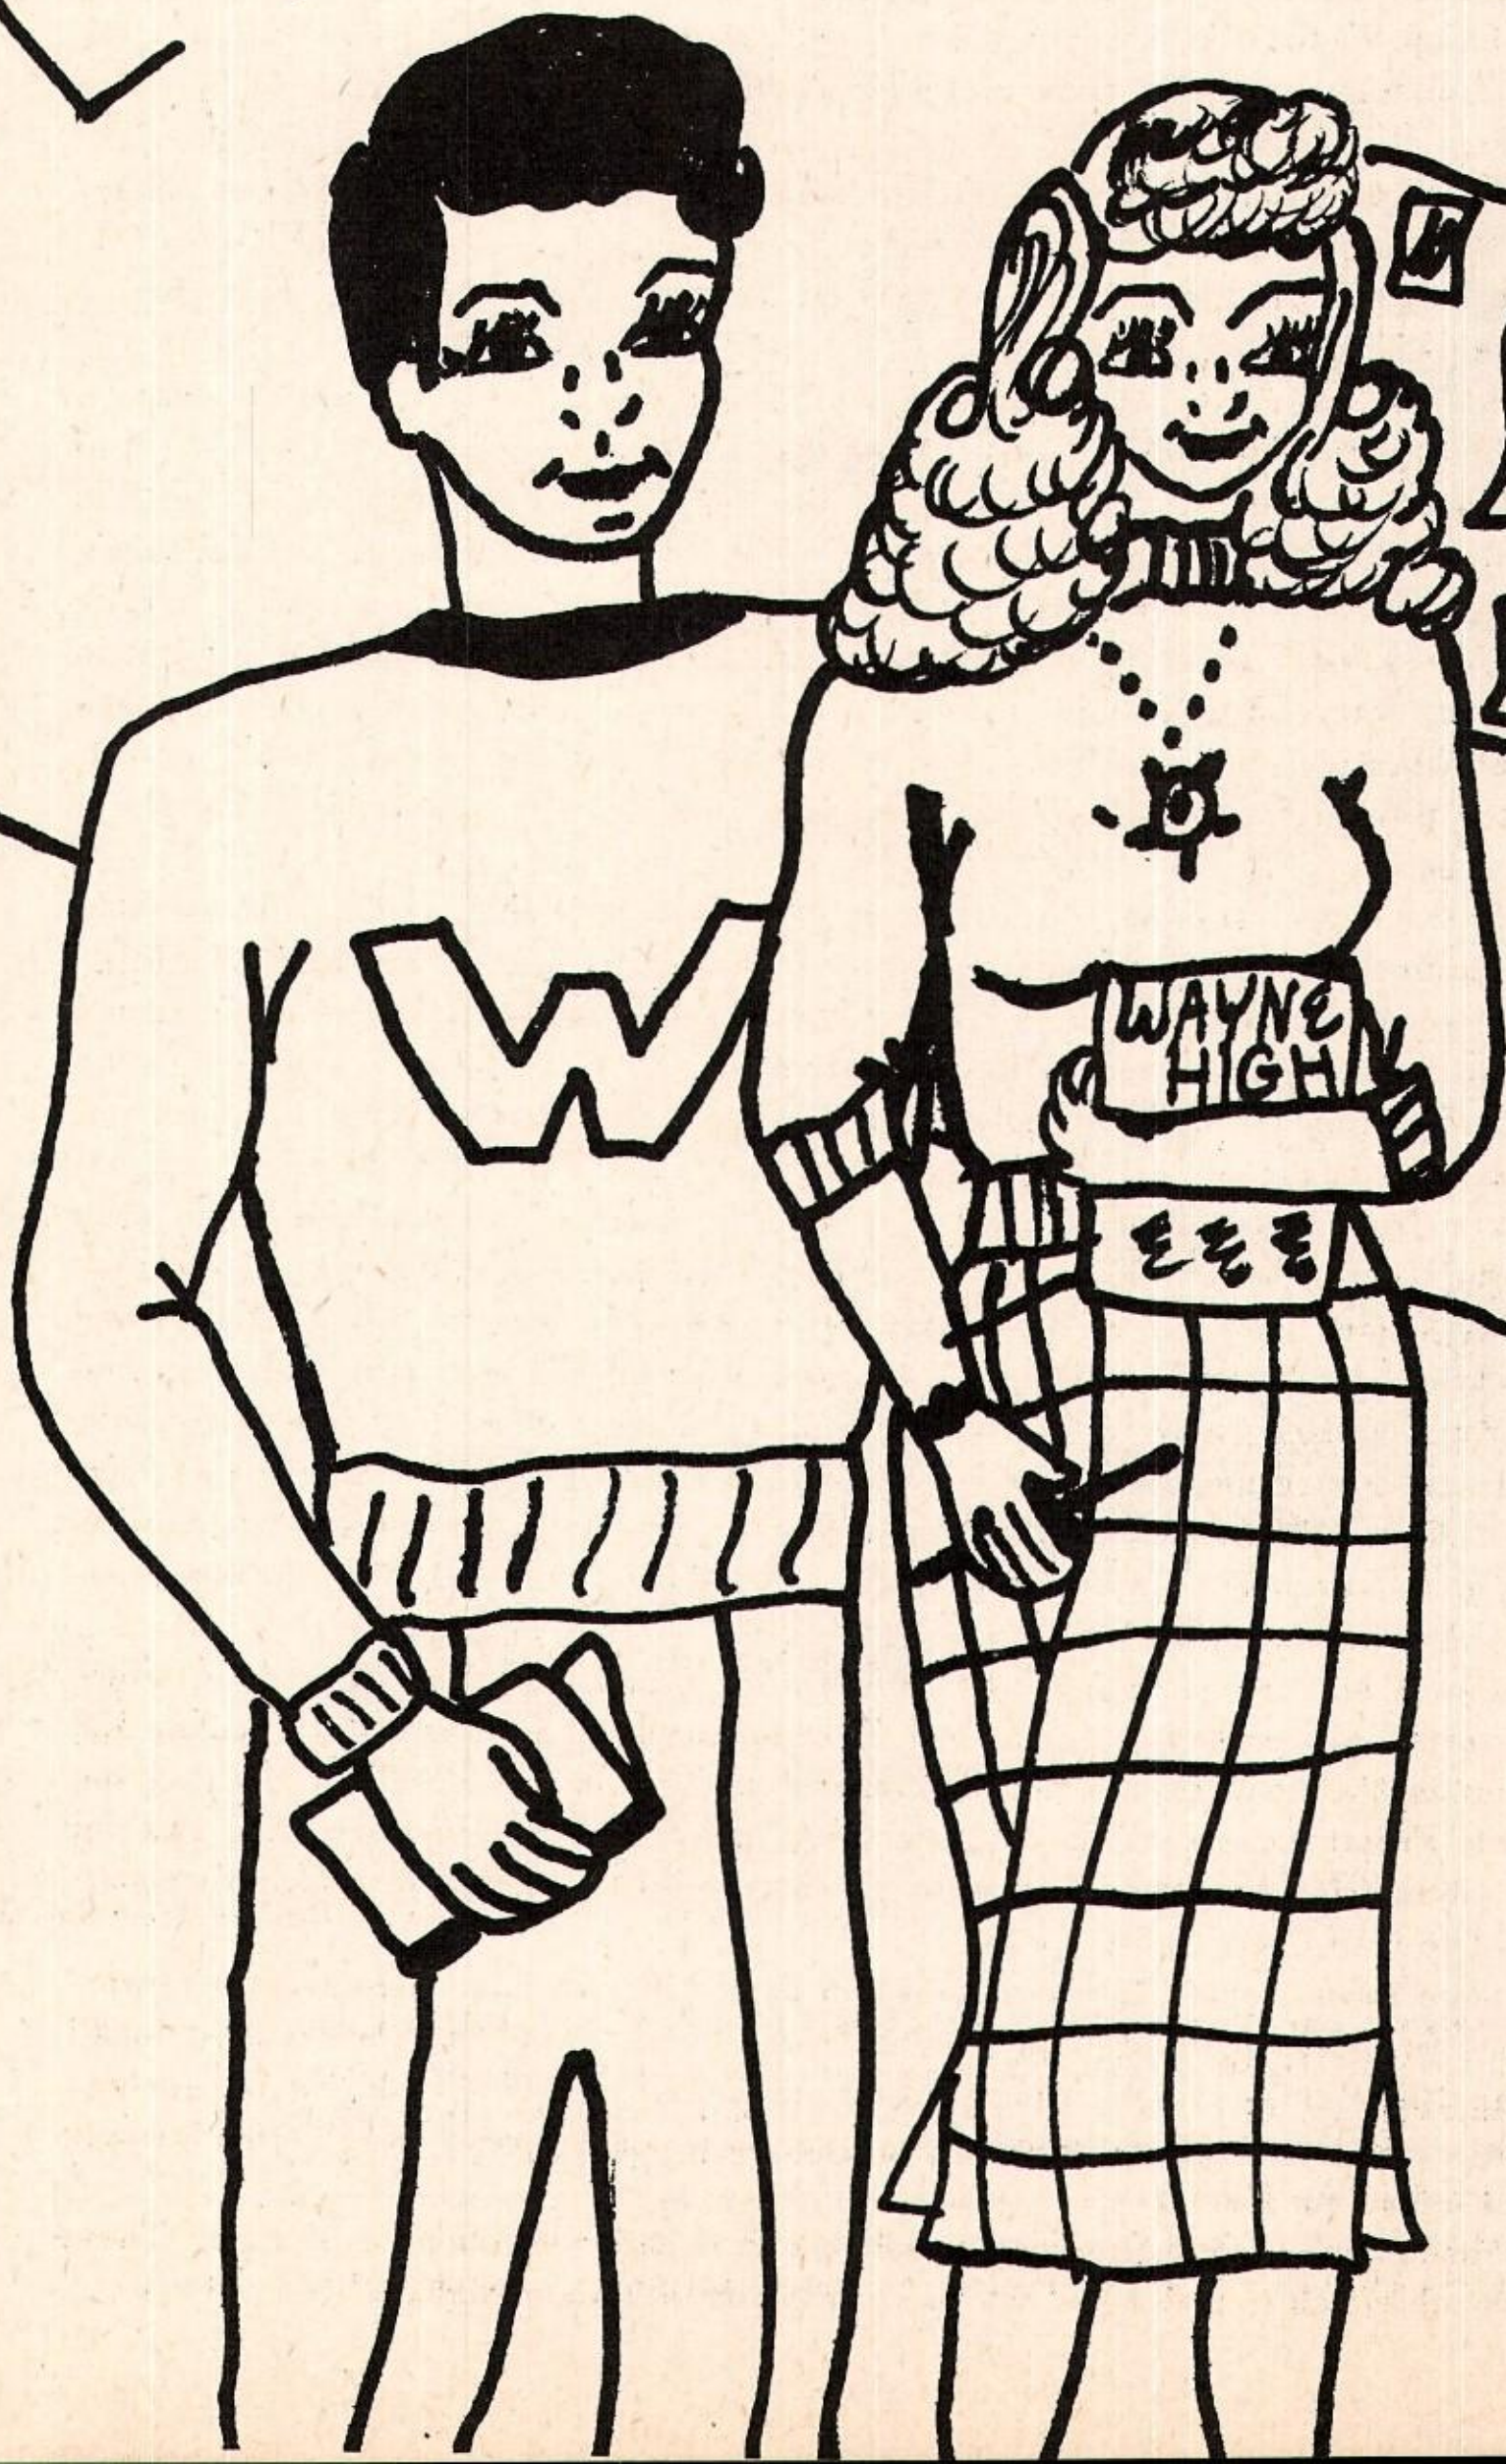

Charlie's Stork Club opens tonight with the famed trumpet player, Charles Messerschmidt, and his all-girl orchestra performing. The featured vocalist is Wilma Temme and the jazz dancer is Marcia Witmer. Marcia is known throughout the world for her dancing ability. Virginia Proett and Henry Thomsen, actress and actor of the year, will be special guests at the Stork Club tonight. They were given recognition for their outstanding performance in "The Earl Green Story."

Just a few more news items before we leave in our jet. Sally Liveringhouse now owns a diamond mine in Burma while Sharon Lindsay owns a ruby mine in Siberia. What luck!

Madame Joan Pawelski, fashion column editor, reveals the latest fashions for spring. Men's overcoats are the style for women this year while men are dyeing their crewcuts various pastel colors for Easter.

Hasn't this been fun--getting to read a newspaper twenty years ahead of time? These predictions probably won't come true; but you can never tell, they might!

On January 22, 1954, Rev. Cook, one of the Chapter Dads, talked on "Life in Japan" and had a display of Japanese articles. Following the discussion the girls had a taffy pull.

The Chapter made posters and gave speeches on "Safety" during Safety Week.

On January 25, 1954, the Chapter had a stunt and talent show. The Freshman girls were the hostesses for the evening. They had charge of entertainment and refreshments.

On March 11, 1954, the Chapter had a discussion of common problems of teenagers and skits were given to help stimulate our thinking.

At the April 8, 1954, meeting the Chapter had a workshop and the girls made kits containing games and other ideas for family fun.

During the past year, there have been 22 F.H.A. members working on their Junior Homemaking degrees.

The officers for the year are as follows: President--LaQuita Greene; Vice President--Judy Heinemann; Secretary--Ellen Schulz; Treasurer--Sally Beckenhauer; Historian--Judy Woods; Parliamentarian--Joyce Cook; Degree Chairman--Rogene Longe; Recreation Chairman--Jane Jeffrey; SongLeader--Sandra Davis; Publicity Chairman--Sandra Haas.

The Chapter Moms and Dads are Superintendent and Mrs. E. W. Willert and Rev. and Mrs. Paul Cook. Our sponsor is Mrs. Marlin Fisher.

F.F.A.

Courses in vocational agriculture were started in the United States in 1917. From the very beginning the boys who were enrolled in these courses in the various states felt a spirit of comradeship due to their background of country life and their desires with regard to farming as a vocation.

Within a few years a number of local departments of vocational agriculture in most of the states had developed so-called "Agricultural Clubs," the membership being composed of the students of vocational agriculture. These clubs, under the guidance of enterprising local teachers, marked the first expression of students of vocational agriculture to band together and do things in an organized way.

In 1928 the first F.F.A. Convention was held. They drew up the constitutions, purposes, and ceremonies at this meeting. F.F.A. Chapters are found in all 48 states, Hawaii, and Puerto Rico. Similar organizations are found in several foreign countries.

There are 8,400 chapters in the United States, Hawaii, and Puerto Rico with a total membership of 350,000 young boys.

Nebraska was the sixth state to have Vocational Agriculture. Today there are 136 high schools in Nebraska that have Vocational Agriculture.

The F.F.A. in Wayne was started in 1945 with 10 members. They were Claude Harder, Marvin Echtenkamp, Bob Penn, Rolland Victor, Gene Frederickson, Roy Ronnfeldt, Jerry Ash, Loren Willers, Ralph Biermann, and Merlin Biermann. Today the membership of the Wayne F.F.A. Chapter is 28.

For activities the chapter has a gilt chain with three registered gilts.

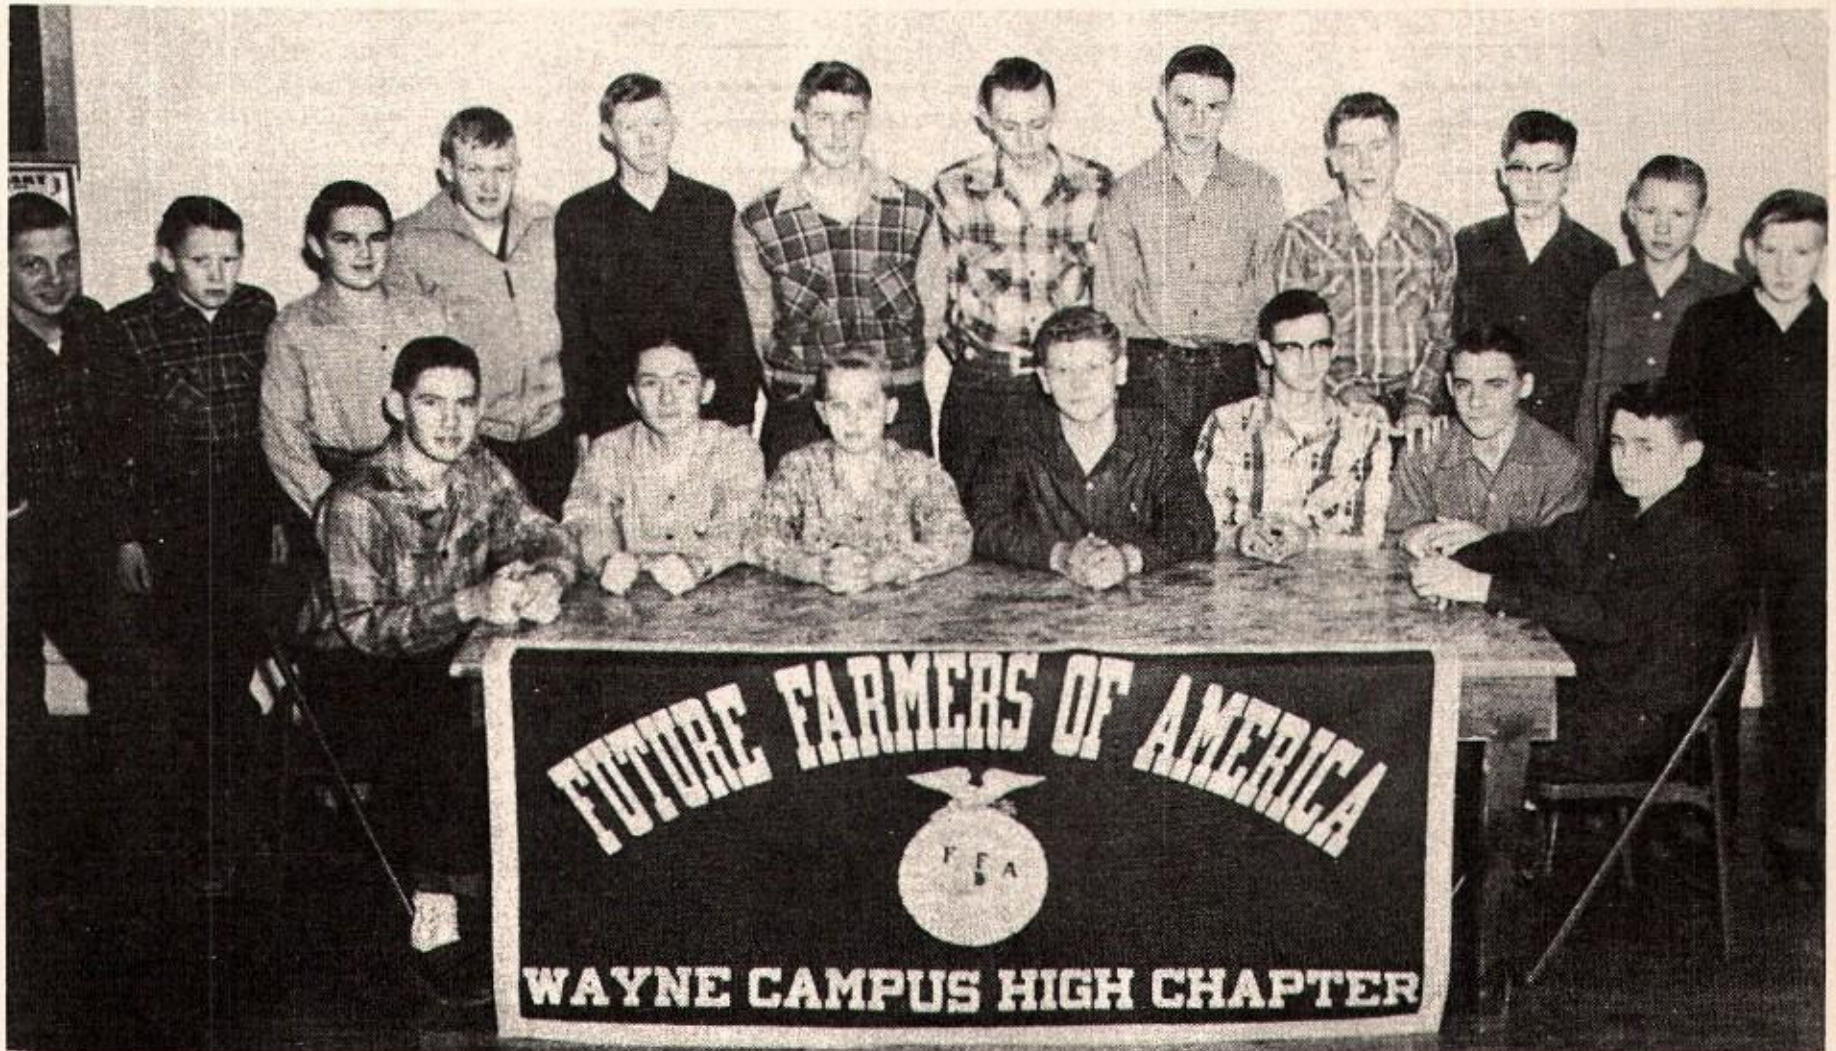

Agriculture boys take soil tests and run germination tests on seeds.

During the Christmas Season the Chapter sells Christmas cards in the community.

In September the chapter attended a livestock show in Wisner, and in November we went to Schuyler to the District Leadership Conference. On March 6 we went to Pender to the District F.F.A. Parliamentary Procedure and Creed Speaking Contest. The State Vocational Agriculture Convention and Judging Contest were held during the first week of April.

The Chapter sponsored a parent-son banquet the last part of March.

Coralyn Price was chosen F.F.A. Sweetheart.

GO DEVILS GO! GO DEVILS GO! The roar of 62 voices yelling in unison, the thrill of 62 girls in white skirts and blue blouses standing and singing when the Pep Band plays "Three Cheers for Wayne High"--that's the Blue Devilettes! The Pep Club always bolstered the team with yells whether they were playing at home or in Lincoln or Omaha. Cheerleaders this year were Marian Kugler, Sondra Haas, Donna Carlson, Karen Schmitz, and Janet Ingalls.

Some of the activities of the Pep Club have been putting on pep rallies featuring clever skits written by various members of the group, yelling in the halls on game days, advertising the game by making posters and writing on the boards, decorating the stadium and the goal posts, and giving a banquet for the athletic teams at the end of the season. Business meetings were held on Mondays at four o'clock.

Rodney Tietsort and Barbara Buehner were crowned King and Queen respectively of the annual Grid Dance sponsored by the Pep Club at the close of the football season.

At football games you're sure to find the blue-jacketed Pep Club members selling coffee, hot dogs, taverns, pop corn, pop, and candy bars. At basketball games, ice cream bars and carmel apples are offered in place of coffee and taverns. This year the Devilettes purchased the blue jackets, a "Frank Bank" for cooking hot dogs, and helped the "W" Club buy their time clock.

When the basketball team played in the State Tournament, the Pep Club chartered two busses in order that Pep Club members and other students would have transportation to the Tournament.

The National Thespian Society was established in the spring of 1929 by a group of teachers and students interested in the advancement of dramatic arts in High Schools.

The aims of the Society are: (1) to establish and promote standards of excellence in all phases of dramatic arts, and (2) to create an active and intelligent interest in dramatic arts among students. It is an honorary organization only in the sense that students are given recognition. The motto of our Society is, "ACT WELL YOUR PART; THERE ALL THE HONOR LIES."

Our Wayne High Thespian Troup No. 48 has increased to 30 members this year. Officers of the club are Barbara Larsen, president; Joan Pawelski, vice president; Gloria Ahlvers, secretary; Larry Johnson, treasurer; Sondra Haas, clerk. Sponsor of the group is Miss Ross.

Among the activities sponsored by Thespians this year was a Christman Formal held in the High School Gym December 22. Two one-act plays, "Make Room for Rodney" and "Herbie Makes the Team," and a humorous reading, "The Raft," were presented at the time of the initiation on February 22 in the Wayne City Auditorium. This program was open to the public. Local Declam was held March 2. Thespian members also took part in Junior and Senior Class Plays.

A person who wishes to become a Thespian member is a pledge until he has earned ten points which may be acquired by being in plays, giving a reading, or having a major part in a three-act play.

Football

Wayne High had a successful season this year under the direction of their new coach, Harold "Mac" Maciejewski. Coach Mac introduced the split T which took the place of the single wing and T formations used other years.

When Wayne played Oakland in the Husker Conference Play-off, the following seniors played their last game of football for Wayne High: Gerald Baker, Gayle Grubb, Larry Johnson, Lowell Johnson, Dick Kluge, Paul Koplin, Gilbert Schmidt, Henry Thomsen, Rodney Tietsort, and Gordon Zapp.

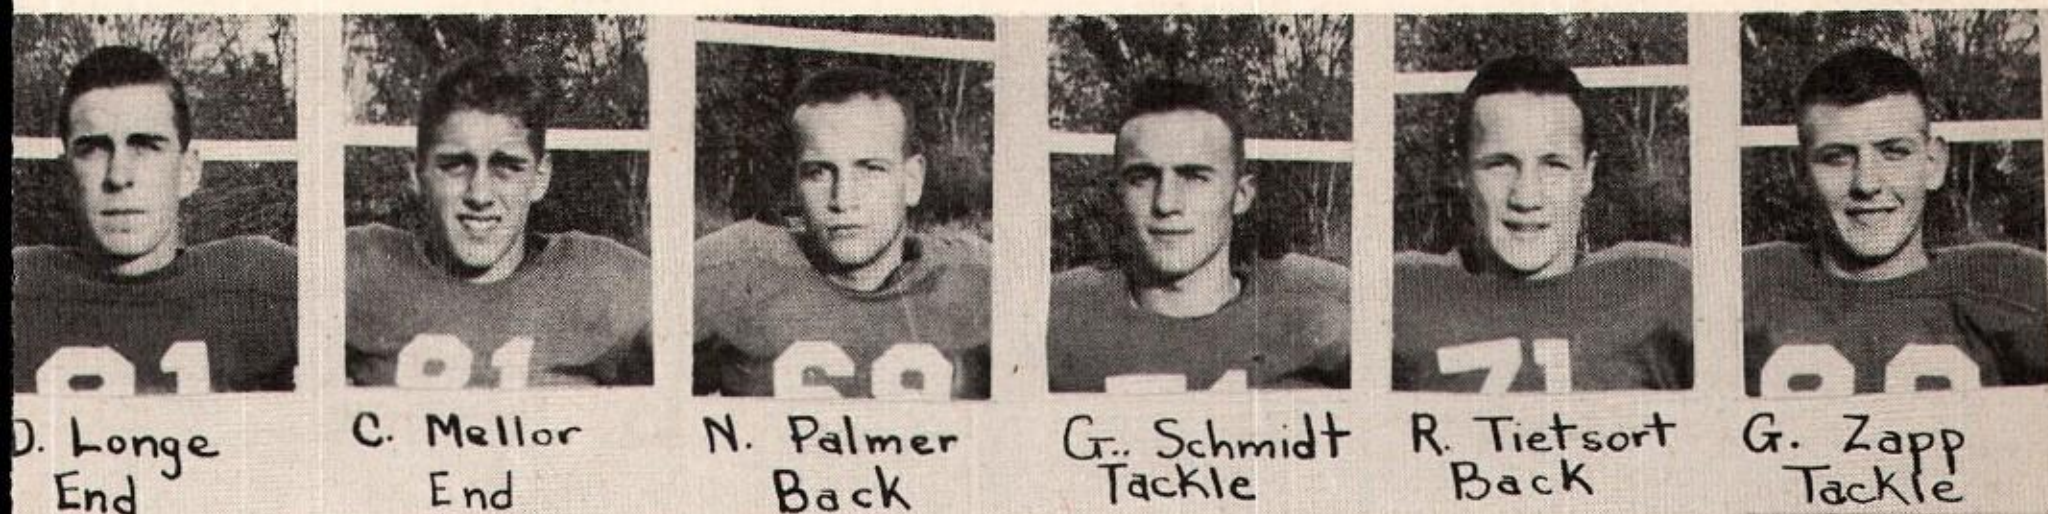

Wayne opened the season playing Allen on the college field. Wayne outplayed Allen and the final score was 21 to 0. Wayne's defense allowed only two first downs and a total gain of 58 yards.

The next game was with Madison, here. The Blue Devils looked very good offensively, rolling up 39 points. Probably the most spectacular play was Larry Johnson's 72-yard run early in the second half. The final score was Wayne 39, Madison 0.

Wayne journeyed to Wakefield and had another good night offensively, running up 330 yards on the ground and adding 61 yards in the air. Once again the final score was 39 to 0.

Wayne won their fourth straight game by defeating Neligh 25 to 0. Although the team was penalized 125 yards, Wayne's defense stood out; and the team remained unscored upon.

The Blue Devils and a large number of fans traveled to Stanton for a crucial game with the Stanton Mustangs; however, the Blue Devils were equal to the occasion and came through with a 7 to 0 victory. This avenged a 16 to 7 defeat which the team absorbed the year before. Lowell Johnson and Gordon Zapp, along with the rest of the team, played good defensive ball. This was probably the best game the team played the entire season.

Team

Wayne was first scored upon in their game with Hartington High School, but they finished the game with a 33 to 6 victory. Larry Hofeldt gained nearly half of Wayne's yardage.

Wayne met a good team from South Sioux City and came out on the short end of the score, 26 to 7 in a razzle-dazzle game of football. It was the first defeat of the season. A wet turf on the college field hampered both teams.

Wayne won the west half of the Husker Conference when they defeated Wisner, 12 to 7; however, it was a costly victory because Larry Hofeldt broke his collarbone. He had previously run 68 yards for a touchdown on the first play from scrimmage. Dick Longe did a good job of pass catching.

In the last regularly scheduled game of the season, Wayne was defeated by Plainview, 13 to 0. Fumbling and the loss of a couple of players on account of sickness hindered Wayne.

In the play-off game Wayne was out for revenge, because Oakland had previously beaten Wayne two times. In this game Wayne looked good but was taken by surprise with a couple of screen passes and the score was 13 to 6 in favor of Oakland when the final whistle blew. Gordon Zapp, filling in for Hofeldt, did some good running at fullback; and Gilbert Schmidt and Lowell Johnson looked good defensively.

Larry Hofeldt, a sophomore back, made honorable mention for Class B in the World Herald selections.

BACK ROW: (left to right) STUDENT MANAGER, Allen Otte; Don Wightman, Glen Houdersheldt, Charles Mellor, Larry Hofeldt, Dick Longe, Steve Pawelski, Neil Palmer, STUDENT MANAGER, Bill Kern.
FRONT ROW: (left to right) ASS'T COACH, Rod Love; Jerry Korff, Lowell Johnson, Gordon Zapp, Paul Koplin, Rod Tietsort, COACH, Harold Maciejewski.

Wayne High School's basketball season came to a climax when they won the 1954 District Tournament by defeating Bloomfield 61 to 51.

Starting with five letter men, Coach Maciejewski brought the team through a season which resulted in 14 wins and 6 losses. Wayne won their first five games before dropping a 56 to 37 contest with Stanton; however, the team went on to tie with Stanton and Wisner for the west half championship of the Husker Conference. Stanton represented the west half of the Conference in the play-off game with Lyons, the winner of the east half, because Wisner and Wayne had been in a play-off game since Stanton had.

In order to tie for the championship, Wayne beat Wisner in a thrilling game, 76 to 65. Larry Hofeldt scored 31 points, and he and Gordon Zapp turned in a good game under the boards. Lowell Johnson, Jerry Korff, Rodney Tietsort, Dick Longe, and Steve Pawelski did a superb job to help gain this important victory.

After their game with Wisner, the Blue Devils dropped one to Schuyler; and then they came back to life and beat Bloomfield before entering the District Tournament.

In the tournament, Wayne squeezed by South Sioux City 45 to 44; and the pressure of tournament play showed a little on the fellows. But, they snapped out of it after a night's layoff and bounced back to beat Tekamah 67 to 61. In the tournament finals, the Blue Devils gave one of their best team performances of the entire season by defeating Bloomfield in a game which featured a four-minute stall. Lowell Johnson played one of his better games and came through when points were needed. Bloomfield had reached the finals by beating Blair, the team which was supposed to win the tournament, in the semi-finals.

Wayne's bid at the State Tournament in Lincoln was cut short in the first round of play when they ran up against the tall Lincoln Teachers quintet. The team gave a creditable performance but lost 52 to 41. Rodney Tietsort scored 18 points to lead the Wayne players.

Second Team

The season's record is as follows:
